

Heckler AV Cart

Your customers can build the perfect video conferencing solution with the Heckler AV Cart.* Slick looks, modular construction, nest-ability, and support for the latest video conferencing equipment combine to create a standout business solution.

- Good looks – Modern components get stashed behind the TV – out of sight, out of mind.
- Designed for Modern Video Conferencing – The Heckler AV Cart supports the latest cameras, codecs, and speakerphones, while avoiding the bulk.
- Single display Heckler AV Cart supports one display with VESA 400 x 400.
- Dual display Heckler AV Cart supports two displays with VESA 400 x 400.
- Saves Tons of Floor Space – Twelve nested and fully-equipped Heckler AV carts only need six feet of running floor space.
- Upgrade to Dual Displays Anytime – Ask about the Dual Display Kit for Heckler AV Cart.
- Cost-Effective Shipping – The Heckler AV Cart can ship by common carrier, potentially saving hundreds of dollars in shipping.
- Assembles Easily and in Minutes – Assembly tool included.

*Camera, tablet, and tablet enclosure are not included.

TABLET STAND

Meeting Room Console

Complete your impressive new video conferencing system with this attractive control console. Perfect for Zoom Room, BlueJeans Huddle, and other conference room automation. With its cable lock compatibility, you can be confident that your iPad devices won't walk away from the table and will be ready for your next important meeting.

- Teflon feet ensure a smooth, scratch-free glide
- Blends beautifully into modern conference rooms
- Connect a Kensington ClickSafe cable to Console's rear wall to securely tether Console to your conference room table
- Cord securer adheres to the underside of Console, ensuring users leave the Lightning cord connected
