

# Transform your mobile communications with **SPECTRALINK**

For every approved handset you turn in, you'll receive **\$200** off an equal amount of Spectralink 8440 handset bundles purchased.

---

**BUNDLE INCLUDES:**  
**One 8440 Handset**  
**and One Battery.**

## Modernize your mobile communications with a Spectralink Wi-Fi solution.

Has your current mobile communication solution fallen behind? Do you have legacy products that are end of life (EOL) or Wi-Fi solutions that cannot provide the quality you require?

Choose Spectralink Wi-Fi for proven voice and data mobility. Our solutions offer unmatched reliability, rich integration and investment protection to help your organization work smarter and more efficiently.

Get best-in-class call quality and a purpose-built design across your teams so you can work more, collaborate better and address your full range of communication needs.

## More than just a device.

To get the best results from your mobility solution, leverage Spectralink services who will work with you in partnership to map the right technologies to your specific goals, while also helping you identify and mitigate any challenges along the way.

## Terms and Conditions

For every approved handset you turn in, you'll receive \$200 off an equal amount of Spectralink 8440 handset bundles purchased.

### Phone models automatically approved for this program include:

Cisco 8821, Cisco 7925, Ascom i62, Ascom Myco2, Zebra MC40, Avaya 3641, Avaya 3645, Nortel 6120, Nortel 6140, NEC MH150, and NEC MH160

Spectralink 6020 and Out of Warranty Spectralink 8440 Handsets are also approved.

- + All approved models turned in must be in working condition to qualify for the discount.
- + Other handset models may be submitted for the trade-in program but are subject for approval. If a trade-in submission does not qualify, we'll advise of other incentives that may be available.
- + Accessories are sold separately.
- + This program may not be combined with any other discounts or promotional offerings.
- + This trade-in program expires on December 15, 2019.

## TRADE-IN PROCESS

1. Submit your **letter of authorization**
2. Contact your authorized Spectralink Reseller and request trade-in pricing.  
  
Don't have a reseller contact? **Click here**, fill out the form, and we'll connect you with an authorized Spectralink reseller.
3. Return approved trade-in devices at the time of install of your new Spectralink mobile solution
