KONFTEL ADDS VIDEO CONFERENCING PACKAGES WITH UNIQUE ONE CABLE CONNECTION

For 30 years Konftel's mission has been to help people in businesses around the world hold millions of meetings despite distance. Our focus has been set on offering the perfect sound. Now it's time to bring video into our meeting solutions. It's time to add a face to the voice. Konftel Collaboration is a range of package solutions that make video conferencing in any type of meeting room incredibly easy and of great value.

KONFTEL ONE CABLE CONNECTION HUB

Video collaboration doesn't get any easier than this.

The Konftel OCC Hub is the beating heart of Konftel's solutions for video conferencing in every kind of meeting room. It supports Konftel One Cable Connection, so a single USB cable is all you need to connect the camera, the speakerphone and the room's screen to the collaboration app on your laptop.

ABOUT KONFTEL

Konftel is a leading company within collaboration endpoint solutions. Since 1988, our mission has been to help people in businesses around the world to have meetings regardless of distance. Crystal clear audio and a sharp video image are essential for efficient meetings, which is why we only focus on cutting-edge technology in our Collaboration Solutions. Our audio technology OmniSound® is built into all Konftel Conference phones and devices.

THE HUGE POTENTIAL OF VIDEO CONFERENCING

Only 2 percent of the world's 32.4 million huddle rooms are currently equipped for video conferencing! This creates huge potential for convenient, collaboration solutions.

Konftel Collaboration is a range of package solutions that make video conferencing in any type of meeting room incredibly easy and of great value. A single USB cable is all you need to connect the conference cam, the speakerphone and the room's HDMI screen to the collaboration app on your laptop.

RAPIDLY GROWING MARKET

Conferencing is a rapidly growing market. Efficient communication is crucial for successful organizations.

- The **USB** enabled product segment will have the **largest growth, +15.7%** units a year.*
- The **VoIP** product segment also is a main interest, with **+12.7% growth** annually.*

Konftel applies an EMAP policy for a healthy business for our partners.
