Zone 305

Wireless for Everyone.
Certified for Business.

Certified for leading business apps and calling platforms, Zone 305 is ideal for mass deployment.

Zone 305 is priced for mass deployment and is integrated with popular calling platforms such as Microsoft Teams, Google Meet and Zoom, allowing users to easily answer calls, toggle mute, and end meetings with the touch of a button.

Features

Certified Audio

Certified for Microsoft Teams*, Google Meet and Zoom, with a plug-and-play receiver. Empower your team with seamless meeting and calling experiences, featuring one-touch call management.

*Only for Windows 10 and 11.

Clear and Uninterrupted Calls

Our Zone 305 headset features dual noise-canceling mics and dynamic speaker drivers for clear calls. Customize your experience with Logi Tune and enjoy reliable connectivity to 2 devices with up to 30m wireless range* and 20 hours battery life**.

*Open field line of sight. Wireless range may vary depending on the operating environment and computer setup.
**Up to 20 hrs listening time and 16 hrs talk time. Battery life may vary based on user and computing conditions.

Built for Business

Zone 305 is designed for business and priced for mass deployment. With Logitech Sync, our secure cloud-based management portal, IT managers can monitor the deployment of individual devices, and push firmware updates to keep devices up to date and secure.*

*Requires Logi Tune downloaded on individual devices.

Lightweight Comfort

At just 122 grams, Zone 305 is so light you will almost forget you're wearing it. The soft, padded headband and enlarged earpads further improve your comfort, so you can keep it on the whole day and move around freely.

Zone 305

Partner Certifications and Sustainability

Certified for business

Certified for Microsoft Teams¹, Zoom, Google Meet, Google Voice, and Works With Chromebook. Works with other popular applications to ensure compatibility and seamless integration in the workplace.
